### Christine, Strawberry Girl

#### **DISCOUNTS MAKE THE HEART GROW FONDER:**

Darling new eco-line alert: [Marchuska](#), by former day trader Christine Marchuska. Exclusively for GirlieGirl Army readers, take 20% off any item on the site until 11/22/2008 when you enter the discount code “GirlieGirlArmy” at checkout.

Our favorite? The adorable “[Christine Dress](#)” - an A line button dress made of 50% organic cotton and 50% modal fabric, with recycled polyester buttons. Isn't it just adorable? Perfect for fall; leggings and boots. What else will you find from Marchuska? Basics for those of us slightly creeped out by the American Apparel [sexual harassment lawsuits](#). We can now rest easy, buying our simple organic cotton basic tee's for boys and girls from a good girl with a dream. She even promises not to take pictures of you in your underwear.

## COMMENTS

1. Linda:

Love this dress! I own a Marchuska t-shirt and can't wait to get one of these as well. It's nice to see young entrepreneurs who are so socially conscious.

2. [Mia](#):

I've seen the Christine dress in person and it's super sexy. Just wait until you see the new buttons it's going to have...they'll really push your buttons to get online and shop @ marchuska.com or into one of the boutiques that's carrying these eco-friendly clothes. The mseries t's are also a great choice for a date night or just a night out on the town with your girls! I should know...I've worn them for both. ;-)
