[ecosumo Now Carries Christine Marchuska Clothing](#)

December 21, 2008

The other day we received an awesome email from Samantha, an intern over at the fashion designer cmarchuska (www.cmarchuska.com). Turns out owner and designer, Christine Marchuska, was interested in what we were doing to provide eco-conscious products to those who are both Green friendly and stylishly inclined. The cmarchuska line is an “eco-friendly clothing line dedicated to providing highly stylish, yet completely sustainable clothing.” And it’s rumored that Mr. Brad Pitt is turning up in multiple photo-ops sporting her new Unisex Hunter Scarf (check out <http://www.pittwatch.com/pittwatch-giveaway-eco-friendly-scarf/#comments> for more about Brad’s eco-fashion consciousness.)

After taking a look at her awesome clothes and learning about her dedication to eco-conscious production values and fabulous stylishness, we had a conversation with Christine and are now proud to announce we’re partners! You can check out the cmarchuska products that ecosumo now carries - including the elegant Hunter Scarf that Brad Pitt is making so sensational - on our site in the [Womens’](#) and [Mens’](#) clothing sections.

Thanks Christine for flattering us with your friendship and partnership.
